AN INVITATION

YOUR STUDENTS BELONG IN THE ARENA

MRC Ghana 2027 invites schools, robotics clubs and STEM programmes across Ghana to enter teams in seven robot sports.

Two days in Accra. Robots and drones built and coded by students. One national stage.

WHAT IS MRC?

ROBOTICS AS A SPORT

01 DESIGN AND BUILD

Teams make their own robot or drone

02 PROGRAM

Code it to race, aim, shoot or fly

03 COMPETE AND EXPLAIN

Pass inspection, then play to win

THE ESSENTIALS

MRC GHANA 2027 AT A GLANCE

29–30
January 2027, two days

7
robot sports to choose from

10+
minimum age for students

2–3
students per team in most sports

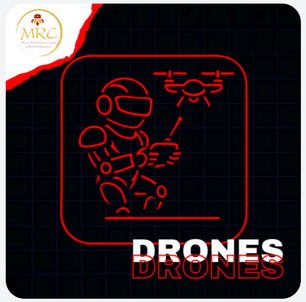

20+
age of each team's coach

Where: Accra · venue to be announced **Register by:** 15 January 2027

PICK YOUR SPORT

SEVEN WAYS TO WIN

Enter one sport or several. All follow the official H.E.R.O. rules.

DRONES

Fly a course of hoops and pads

DRONE SOCCER 3×3

Aerial football with drones

MARATHON

A robot races a secret track

FOOTBALL 3×3

Robot teams play matches

SHOOTING

A sensor-fired dart launcher

ARCHERY

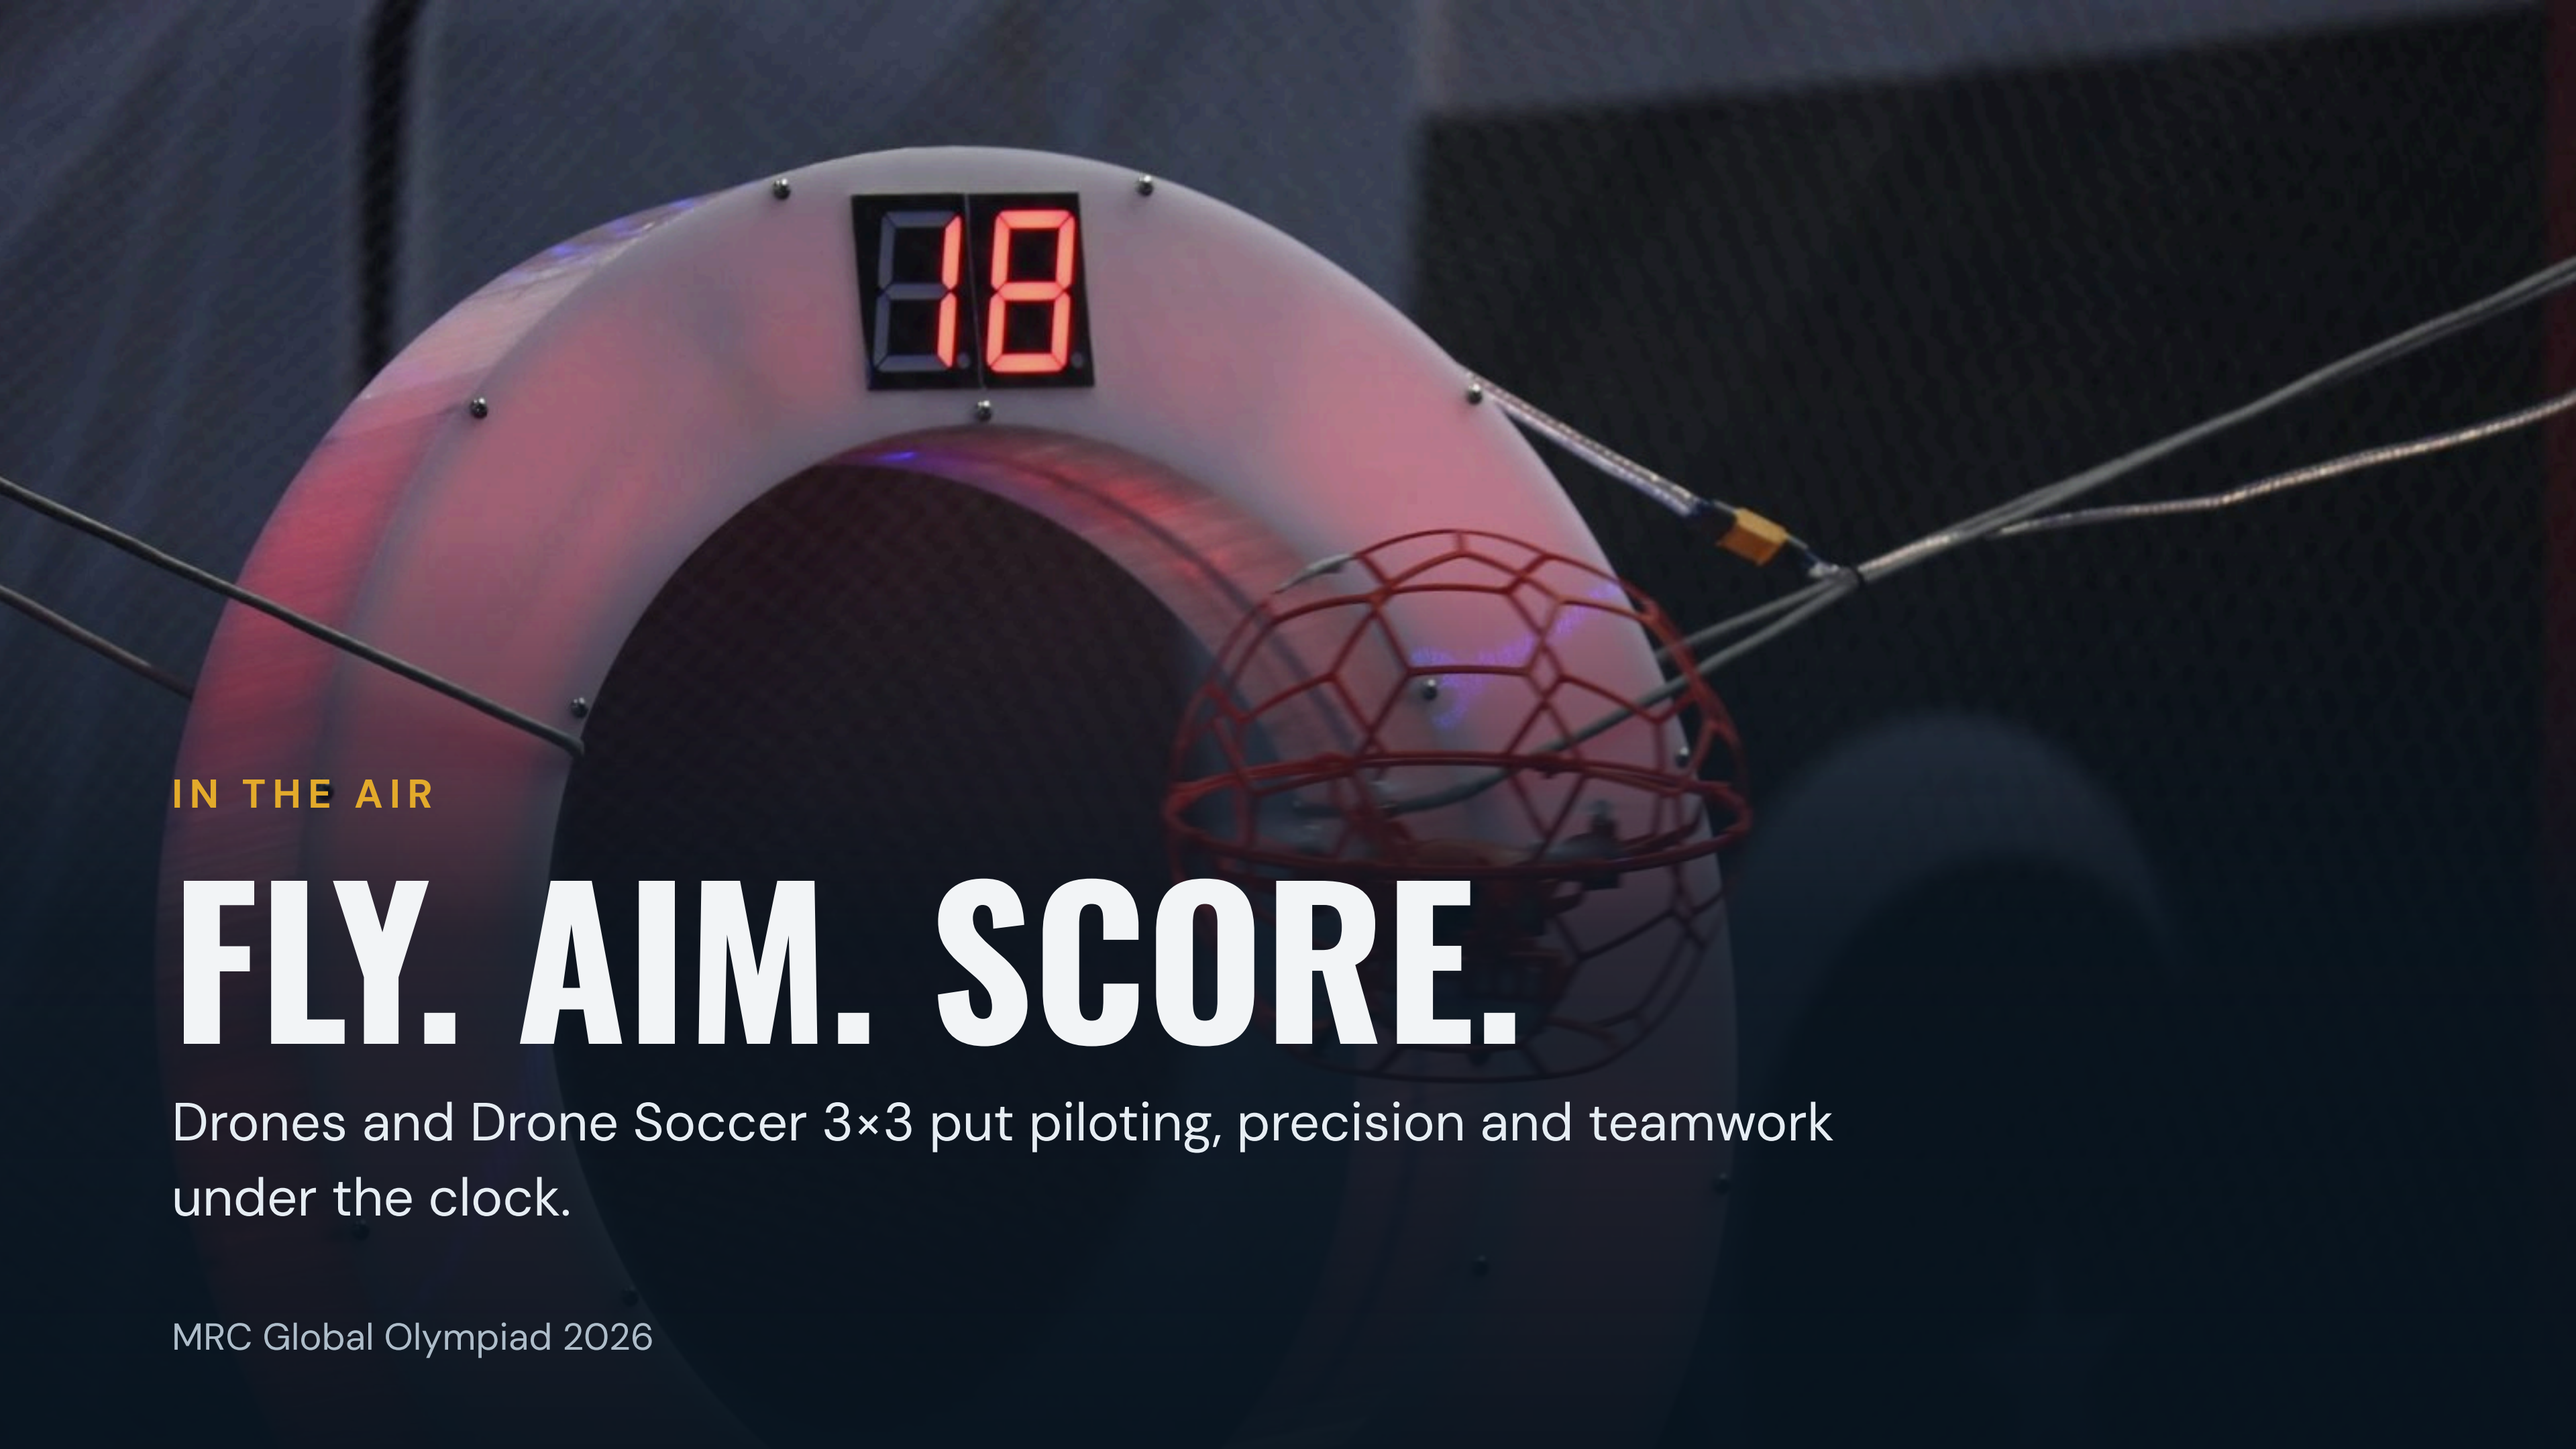

A robot bow that aims itself

EXHIBITION

Show an original project

Rules and age bands for every sport: mrcghana.com/categories

IN THE AIR

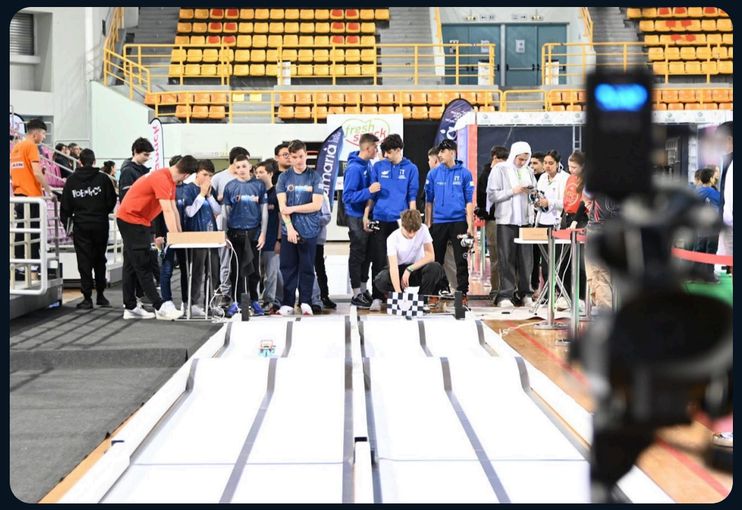

FLY. AIM. SCORE.

Drones and Drone Soccer 3×3 put piloting, precision and teamwork under the clock.

MRC Global Olympiad 2026

ON THE GROUND

RACE. KICK. SHOOT.

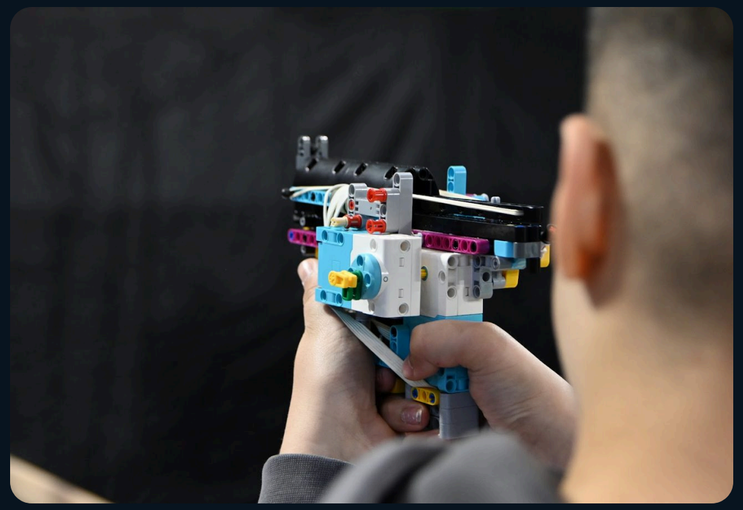

MARATHON

The fastest clean robot run wins

FOOTBALL 3×3

Alliances of robots play to score

SHOOTING

Three targets, two distances

Photos: MRC Global Olympiad 2025 and 2026 · Archery and Exhibition complete the seven

FOR YOUR STUDENTS

WHAT STUDENTS TAKE HOME

REAL ENGINEERING

A machine that must work on the day

CODING WITH A GOAL

Sensors, motors and autonomous runs

TEAMWORK

Plan, test and repair together

PROBLEM SOLVING

Fix what breaks between rounds

CONFIDENCE

Explain their design to the judges

A WORLD STAGE

Part of a competition held worldwide

FOR SCHOOLS AND CLUBS

PUT YOUR PROGRAMME ON THE PODIUM

- **A national stage** for your STEM teaching
- **A real deadline** that turns lessons into a robot
- **Podium places** in each age category
- **Stronger teachers** with hands-on robotics experience

OPEN TO EVERY SCHOOL

ROBOTICS IS FOR EVERYONE

We especially welcome girls’ teams and schools new to robotics.

MRC Global Olympiad 2026 · awards ceremony

THE ICING ON THE CAKE

WIN AT HOME. EARN YOUR PLACE ON THE WORLD STAGE.

Top teams at MRC Ghana 2027 can be selected to represent Ghana at the **MRC Global Olympiad 2027** in Chania, Crete.

Selection follows eligibility, national selection and confirmed places. A win in Ghana is not a guarantee.

THE INTERNATIONAL FINAL

MRC GLOBAL OLYMPIAD 2027

WHEN
23–26 April 2027

WHERE
Chania, Crete, Greece
